

## INGREDIENTS AND MANUFACTURING DECLARATION To whom it may concern.

**Date: 19/2/2018**

Hereby we certify that our flavors are manufactured with EU repertoire, FEMA GRAS synthetic flavor materials and/or food grade essential oils and botanical extracts, using for water soluble flavors mainly pharma grade Propylene glycol as carrier and sunflower oil or Triacetin for oil soluble flavors.

Our products **do not** contain ingredients of animal origin as meats eggs or dairy, (including oils, fats and gelatin).

Our products **do not** contain Ethanol (Ethyl alcohol).

Our products have not been produced on equipment that has previously been used for products containing the above substances.

Our products **do not** contains Allergens according 2003/89/CE, 2004/77/CE 2005/63/CE, if not specifically notified.

Our products **do not** contain genetically modified organisms according to 1829 and 1830/2003/CE.

Our products are free from pathogens and harmful microbes and bacterias.

We also certify that mentioned flavours have been produced entirely in our Italian ISO 9001 and ISO 14000 certified factory with ingredients of EU origin and that Our products comply with EU regulation 1334/08 and US FEMA GRAS requirements for flavors suitable for human consumption and can be used in any kind of food manufacturing industry, including dairy factory, if not specifically forbidden by local laws.

HACCP and GMP are applied in all production processes.

Our factory is legally and officially authorized to produce food flavors by Italian Authorities and our products and processes are routinely checked by Health Authorities.

Our flavors are generally used in percent range of 0.1%-0.3%  
Due to different processing conditions, food matrix composition and ingredients quality, the right dosage can be assessed only with specific trials and are subjected to local and personal flavor acceptance.

Additionally, we will inform you if any changes regarding the above take.
